

## **THORNLIE LIONS DART CLUB**

Welcome to the Thornlie Lions Dart club news for 2015.

Thank you all players who participated in 2014, it was a good season with two out of two teams playing in the Preliminary Finals

The 2015 season will commence in early March and team nominations are required by the end of January, we hope to have three or four teams so please make sure you nominate to be eligible to play in 2015.

The Annual General Meeting of the South Suburban Darts Association will be held on 9<sup>th</sup> February 2015 and team nominations need to be in by then, so they can arrange Grades and Fixtures.

To New players please give a contact number and an estimate of your average if you have one. If not we can arrange for the first few weeks. To be eligible to play for Thornlie Lions Dart Club you must be a financial member of the Thornlie Football and Sport's Club Inc and memberships are now due. To pay your membership fees please see the Bar staff.

Any player from 2014 that will not be playing in for 2015 for the club but with another club you will require a clearance and this will be only approved if you were financial in 2014. Your clearance must be obtained from your new club and not Thornlie Lions.

After the Annual General Meeting of South Suburban Darts we will be able to provide more information as to start date and grades etc.

We will arrange for a registration evening on 3<sup>rd</sup> February, so have your darts ready and we may arrange a few games.
